

# Quality Blue

*Save time, save money and reduce loss.*

Actual size: 3" x 1.6" x .75"

## Quality Blue

**Quality Blue** temperature recorders are designed to provide dependable temperature monitoring at every point along the cold chain. **Quality Blue** is a perfect replacement for obsolete strip chart recorders and provides unmatched reliability, accuracy, flexibility and low cost.

**Quality Blue** is ideal for use in the transportation of products for the perishable foods, floral, chemical, and pharmaceutical industries.

## Maximize Efficiency

**Quality Blue** can bring new efficiency to Receiving and QA operations by docking with the optional **Express** handheld data retrieval device.

**Express** provides chart and tabular data viewing within 5 seconds.
